

Product Training | 產品培訓

Academy Ver | 校園版

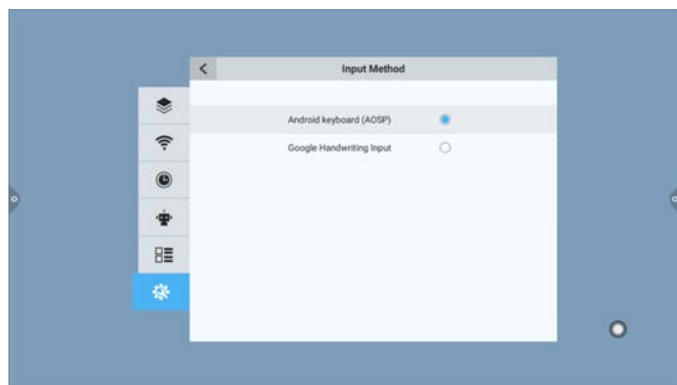

Table of Contents | 目錄

1. **Activation** | 啟動
2. **Hot Keys** | 硬鍵
3. **Navigation Interface** | 導航界面
4. **Tools Bar** | 工具欄
5. **Suspension Menu** | 捷徑浮標
6. **Remote Controller** | 遙控器
7. **Windows Operation** | Windows操作
8. **Whiteboard App** | 書寫白板應用程序
9. **File Manager App** | 文件管理應用程序
10. **Guest Book App** | 留言簿應用程序
11. **Connection** | 連接
12. **More Apps** | 更多應用程序
13. **Technical Support** | 技術支援

Activation | 啟動

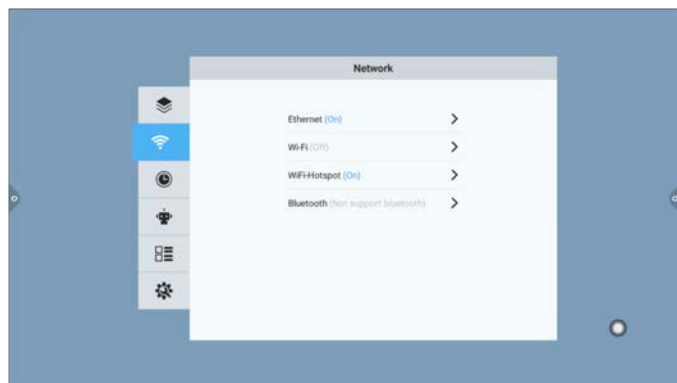

Step 1 | 步驟一

Go to Setting Menu | 進入設定目錄
Select Android keyboard | 選擇Android鍵盤

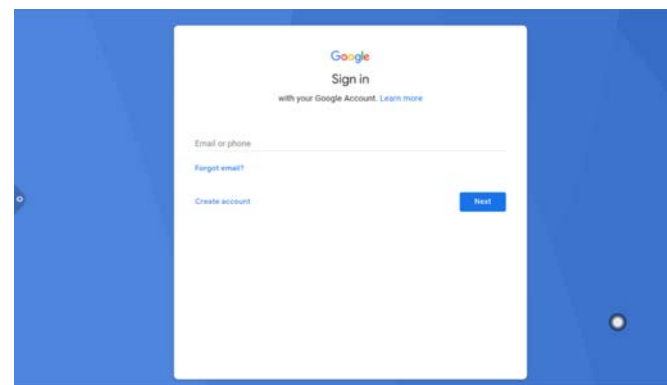

Step 2 | 步驟二

Go to Setting Menu | 進入設定目錄
Connect to the internet | 連接到互聯網

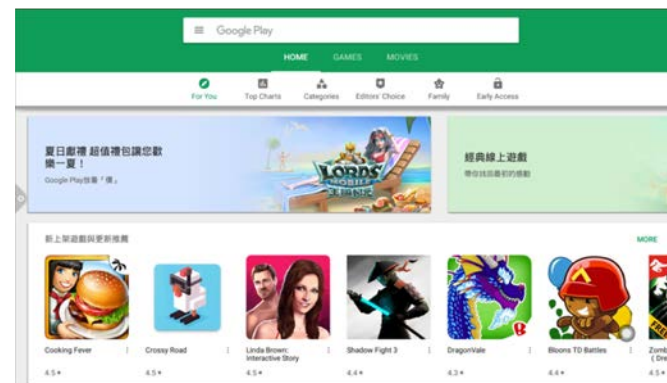

Step 3 | 步驟三

Open Google play store app | 打開Google Play商店應用程式
Log-in with the Google account | 使用Google帳戶登錄

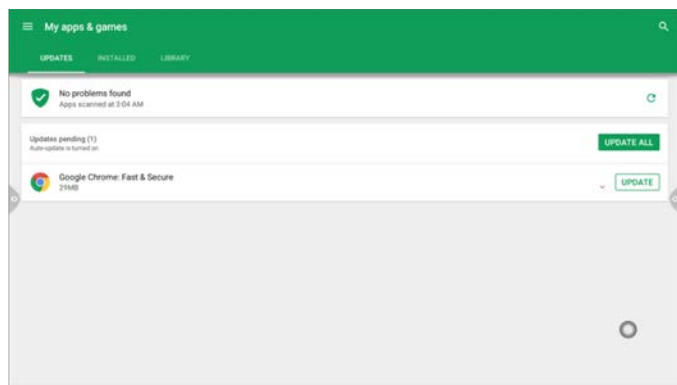

Step 4 | 步驟四

Restart Google play store for update version
重新啟動Google Play商店以取得更新版本

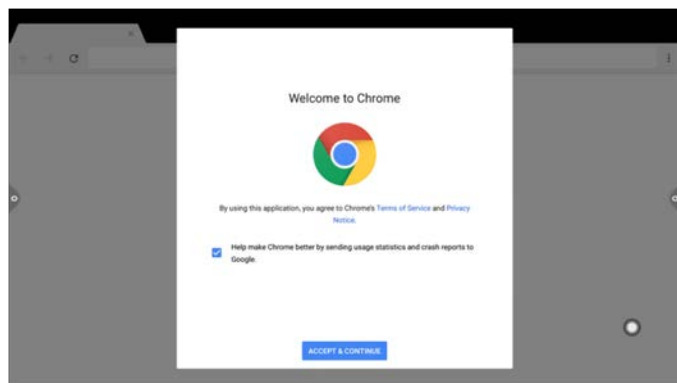

Activation | 啟動

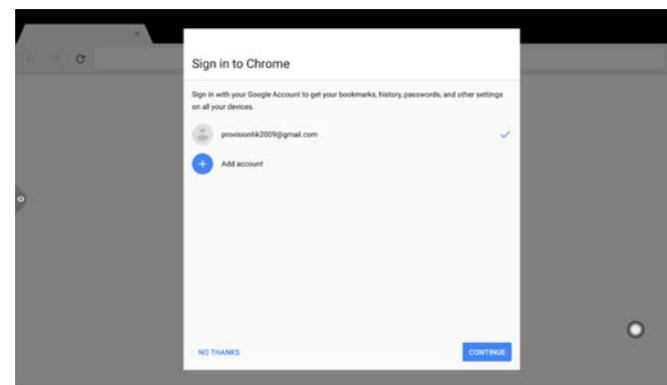

Step 5 | 步驟
Run Google update
執行Google更新

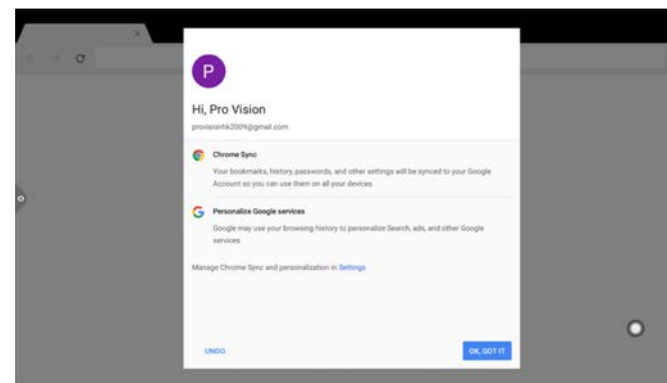

Step 6 | 步驟六
Open Chrome browser
打開Chrome瀏覽器

Step 7 | 步驟七
Log-in Chrome with the Google account
使用Google帳戶登錄Chrome

Step 8 | 步驟八
Complete the log-in and the Google account is now fully activated
完成登錄後，Google帳戶完成激活

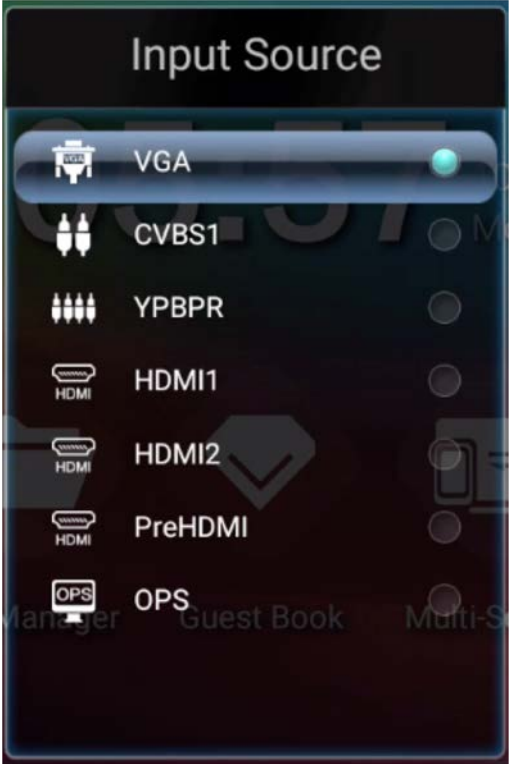

Hot Keys | 硬鍵

Key 按鍵	Functions 功能							
Icon 圖標					ECO			
	Power Indicator, RED is standby mode, Blue is power on, no light is power off							
	PC (Build in OPS System) power, ON/Off the PC (Attention: Do not directly cut down the main power while the PC system is still in operation, this will damage the PC operation system)							
	Power, Turn ON/OFF							
	INPUT, this key opens the channels source							
	Setting Menu							
ECO	Energy Saving Mode / Sleep Mode							
	Home Key							
	Volume Up							
	Volume Down

A semi-transparent system settings menu is overlaid on the top left of the document viewer. The menu is titled "System" and contains the following items: "Input Method (Android keyboard (AOSP))", "Language (English)", "Restore Factory Settings", "System Info", "Instruction", and "System Upgrade". A yellow arrow points from the "Instruction" item to the "Table of Contents" section in the document viewer.

II. Software Description

- 2.1 Writing Whiteboard
- 2.2 Document Management
- 2.3 Guest Book
- 2.4 Multi-Screen
- 2.5 Screen Mirroring with touch control (via...

The document viewer interface shows a "Table of Contents" for a manual. The table lists sections such as "I. System Description" and "II. Software Description" with their respective page numbers. A scroll bar is visible on the right side of the document.

Section	Page
I. System Description	3
1.1 Conference System Launcher	3
1.2 The Sidebar	4
1.2.1 Function Introduction	4
1.3 Notification Panel	9
1.3.1 Activate Notification Panel	9
1.3.2 Function Introduction	10
1.4 Status Bar	12
1.5 System Settings	13
1.5.1 General	13
1.5.2 Network	18
1.5.3 Time	20
1.5.4 Intelligence	21
1.5.5 Channel	24
1.5.6 System	25
II. Software Description	26
2.1 Writing Whiteboard	26
2.1.1 Interface Display	26
2.1.2 More Menu	26
2.1.3 Common Function Menu	33
2.2 Document Management	38
2.2.1 Interface Introduction	38
2.2.2 Document Manager	39
2.2.3 Display Menu	42
